

HOW TO MEASURE FOR FIT

CHEST

Hold the tape snugly under arms around the fullest part of the chest. Make sure the tape measure is level all the way around.

*Listed below are body measurements that correspond to sizes in each of our different size ranges. If the measurements fall in more than one size range column, depending on the style of the garments, order the largest measurement. Unisex garments are made from male sizing. All measurements are given in inches.

BOYS AND GIRLS POLO

Find your size in the horizontal bar.

The vertical numbers below each size are the actual garment measurements in inches
